Anatomy, Physiology, and Disease: An Interactive Journey for Health Professions (3rd Revised edition)

By Bruce J. Colbert, Jeff Ankney

Pearson Education (US). Hardback. Book Condition: new. BRAND NEW, Anatomy, Physiology, and Disease: An Interactive Journey for Health Professions (3rd Revised edition), Bruce J. Colbert, Jeff Ankney, This engaging, conversational book introduces all the anatomy, physiology, and pathology concepts that students must master to succeed in the health professions. ANATOMY, PHYSIOLOGY, & DISEASE: AN INTERACTIVE JOURNEY FOR HEALTH PROFESSIONS, 3/e is designed to promote true understanding, not mere memorization, and to help students make the lasting connections they need to thrive as practitioners. Throughout, well-placed "Pathology Connections" sections tightly link A&P concepts to pathologic processes. Analogies help students compare the human body to objects and processes they already understand, and illustrations and visual features support the visual learning style many of them prefer. This edition adds new web-based animations, videos, and interactive exercises to its fully integrated website. It also offers an easier-to-navigate text design; enriched illustrations and new photographs; and a new chapter on biochemistry. Note: This is just the standalone book.

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Germaine Welch**

A very awesome pdf with perfect and lucid information. This is certainly for those who statte there had not been a worthy of looking at. Your daily life span will probably be convert as soon as you full looking at this book.

-- **Dr. Marie Ebert**
