The writer does an excellent job of integrating cloud into the approach for an enterprise architecture and drilling down into how to evaluate cloud in its variety of implementation techniques, along with the benefits and drawbacks of each." - Sue Miller-Sylvia, IBM Fellow and Vice President, Application Innovation Services, IBM Global Business Services Make the Right Cloud Adoption and Deployment Decisions for Your Business This is the first complete guide to cloud decision making for senior executives in both technology and non-technology roles. IBM(R) Global Business Services(R) Executive Architect Pamela K. Isom and IBM Fellow Kerrie Holley present practical business cases, vignettes, and techniques to help you understand when cloud investments make sense and when they don't. You'll find decision models that are anchored with practical experiences and lessons to guide your decision making, best practices for leveraging investments you've already made, and expert assistance with every aspect...
